

Singapore Together is about the Government working with Singaporeans, and Singaporeans working with one another, to build our future Singapore. The Government will open up more partnership opportunities for Singaporeans to participate. The Government also hopes to support more citizen-led efforts. Whatever our background or interests, we can each step forward to contribute in areas that we care about. By working together, we can turn diversity into strength and transform challenges into opportunities, to build a Singapore that present and future generations of Singaporeans will be proud of.

## MEET **Ms Vellay Durai Sridevi**

THE ROOTED CITIZEN

Ms Vellay Durai Sridevi was originally from Tamil Nadu, India. She migrated to Singapore in 2003 and proudly became a citizen in 2009. She has lived in Moulmein-Cairnhill for the past 18 years and serves as a Grassroots Leader with the Moulmein-Cairnhill Community Development and Welfare Fund Committee (CDWF) and Tekka Residents' Committee. Despite her busy work schedule as an executive in a shipping & trading firm, she has shown her strong care and concern for the vulnerable residents. They frequently approach her with their stories while she is ready to lend a listening ear to ensure that their needs are met. Ms Sridevi has proved to be a critical link in Moulmein-Cairnhill CDWF to reach out to the residents in Little India and her positive 'can do' spirit has been an inspiration for fellow volunteers.

## MEET **Mr Fabian Ng, BBM**

THE NEW CITIZEN CONNECTOR

Mr Fabian Ng (left-hand side of the image) is the Vice-Chairman for Radin Mas Community Club Management Committee and a veteran Grassroots Leader who has steadfastly volunteered in Radin Mas. He has dedicated his available time in serving the community for the past 28 years.

As an Integration & Naturalisation Champion (INC), Fabian plays a vital role in engaging and integrating new immigrants into the local community. Spearheaded by Fabian, he and the other volunteers came together during the Covid-19 pandemic to pack essential items for 400 cleaners working at the HDB and private estates, hawker centres and markets in Radin Mas and Bukit Merah. When asked why he wanted to volunteer in the community, Fabian said, "I just want to give back to society, I feel great joy and satisfaction that I played a part in bringing smiles and togetherness in the community."

## MEET **Ms Nur Sheda Bte Abd Rahman**

THE EMPATHETIC VOLUNTEER

Ms Nur Sheda Bte Abd Rahman is a volunteer with the Milk Powder Programme championed by the Henderson CC. Volunteer work has helped her to realise that although she has lived in Tanjong Pagar GRC all her life, there are many issues faced by others that she is not aware of. As a mother, she feels empathetic towards the plight of less fortunate families with young children and this motivates her to give back to the community. Through this programme, she advocates sustainable ways for parents to give the best for their children. She conducts sharing sessions of latest parenting trends, useful parenting tips, preparing healthy foods on top of monthly milk powder distributions.

**MEET**  
**Mr Randy Tan**  
THE DEDICATED VOLUNTEER

Mr Randy Tan is a volunteer with Queenstown's Community Emergency Response Team (CERT). He has shown strong passion and love for this community by going the extra mile for residents. From earnestly assisting the elderly on numerous queries, to thoughtfully following up with, and arranging alternative transportation for seniors with mobility issues to and from the CC, he has cultivated a compassionate culture of serving and protecting. Through this, Randy's interactions with others have helped him to realise his personal vision of helping people be more resilient and independent. He has also witnessed their daily lives improve and how they have paid it forward by helping others. This inspired him to lead others and make the community a better place so that future generations can benefit from their actions.

**MEET**  
**Mr Lee Mau Hin, BBM**  
THE VILLAGE CHIEF

Mr Lee Mau Hin is a resident of Buona Vista Commonwealth Close for over 50 years and has been actively volunteering for more than 15 years. Known to many as the 'Village Chief' at Commonwealth Close Residents' Committee, he has initiated efforts in serving the community such as distributing bread from his friend's bakery shop, organising basic grooming services such as haircuts and Tui Na (massage) for the senior residents.

Mr Lee's past experience of hardship has led him to develop a grassroots movement programme that distributes hot meals to vulnerable groups, as he believes that no one should go hungry despite their living conditions. To date, this has been his daily routine and he hopes that his initiatives would inspire others.

**MEET**  
**Ms Udayagiri Nikhila Sai**  
THE PASSIONATE VOLUNTEER

Ms Udayagiri Nikhila Sai (sitting on the left) is the Vice-Chairperson of Tiong Bahru Community Centre Youth Network (TBCCYN). She enjoys interacting with children and seeing them having fun at the events hosted by TBCCYN.

Together with fellow like-minded and energetic Youth Network members, she plans events for children like storytelling competitions where they are given the opportunity to perform onstage in front of a live audience which boosts their confidence and hones their public speaking skills from young. The process of seeing through an event from ideation to fruition excites Ms Udayagiri. But nothing beats the satisfaction of seeing people benefit from the activities which motivates her to give back to the community through volunteering.

**GREET, SMILE  
& SAY HELLO**

Remember to meet and greet your neighbours with a smile when you see them along the corridor or in the neighbourhood.
